Funds approved

The Housing Authority of the City of Upland has received final approval of modernization funds in the amount of \$795,700.

Extensive study and applications were first filed in November 1968 by Flora Kushin, Executive Director (now retired) and efforts continued after her retirement in July 1969 by June Clark, Executive Director and board of five commissioners, Charles Gehrken, Flora Kushin, Helen Nylander, Irenen Mieras, and Cecilia Gomez.

In the final stages of negotiations, a Tenant Advisory Council chaired by Ray Rivera was formed. With their cooperation and support the final applications received approval from the Housing and Urban Development offices of Los Angeles and Washington, D.C.

With the approval of the funds, surveys and preparations for extensive interior and exterior modernization of the units have already begun.

The Housing Authority, also known locally as Los Olivos, is situated on Campus Avenue north of Foothill Boulevard.

Public hearings

Two public hearings which have to do with realignment of streets will be among the six public hearings on the agenda of the Planning Commission. The meeting will be held on Thursday, April 22, at 7:30 p.m., in the council chambers of city hall, 177 E. D Street. A precise plan for the controversial roadway between Foothill Boulevard and 14th Street will be heard with an opportunity for residents in the Foothill Knolls and Los Olivos area to speak on the issue.

This road has been proposed as an alternate route for getting trucks off Euclid Avenue.

The second precise plan to be heard is to establish a public street in the vicinity of Central Avenue, north of Foothill Boulevard.

The public may also speak on this issue. Fred Blanchard, city engineer, said in a telephone interview on Monday that the money for these projects has not been allotted and that these hearings are the first steps in getting these roads on the master plan. The public is invited to attend the meeting.

Truck restrictions

The Upland City Council voted unanimously Monday night to keep the voluntary restrictions on truck travel on Euclid Avenue in force for another 60 days.

The restrictions, to which the rock truck owners adhere voluntarily, include not using the noisy "jake brake" unless absolutely necessary, staying in the right hand lane on Euclid when traveling up or down the avenue and limiting truck speed to 25 miles per hour.

The council also decided to discontinue monitoring truck traffic on Euclid for a month, at which time they will check it again.

Resolution postponed

A resolution drawn in commendation of the defunct Parks and Recreation Committee will be redrawn, Upland City Councilmen decided Monday night.

The resolution was not strong enough and left out the many years of service on the committee by several of the former members, the council felt.

Councilman Ronald Rossiter said the proposed resolution was a "poor thing" and asked if "this is the best we can do" in honoring the committee.

Councilman John McCarthy concurred that there should be some way their years of service be included.

City Attorney Donald Maroney will redraw the resolution with the assistance of Councilman Rossiter, the council decided.

Spring forward!

Remember, "Spring forward in the Spring, fall back in the Fall!"

It is now time to "spring," or at least it will be Saturday night. That's the time to set your clocks ahead because Daylight Savings Time goes into effect that night.

Since one generally does not stay awake until 1 a.m., just to set the clock ahead to 2 a.m., perhaps you'd better do it whatever time you do retire that evening.

Just remember, set it ahead one hour, not back!

Kindergarten survey

The Upland School District is in the process of conducting a survey of children who will be eligible for kindergarten for the 1971-72 school years. This will involve youngsters who will be five years old on or before Dec. 2, 1971.

The survey will permit school officials to determine the number of children in the district who will be attending kindergarten next fall in order to evaluate the needs for the various school areas.

An official Kindergarten Registration period will take place May 11, 12 and 13. Newspaper notices will appear and the pupils of the elementary schools will take home complete information notices prior to the registration dates.

If a family is not contacted for this survey by May 1 and they have a child eligible for kindergarten in the fall, it will be appreciated if they will get in touch with the school office for their area.

Membership breakfast

The Upland Chamber of Commerce will hold its April Membership Breakfast meeting Wednesday, April 28, at 7:30 a.m., at Brigham's Restaurant, corner of Foothill and San Antonio Avenue in Upland.

Committee chairman of the Chamber will provide the program. Talking will be Barry Brandt, chairman of the Environmental Control Committee; Mrs. Rosalie Kamanisky, Governmental Affairs Committee; Ray Stump, Upland Town Center Merchants Committee; Gary C. Hill, Commercial Industrial Committee; and Jim Oliver, Downtown Development Committee.

City to keep Arbol Verde

As far as the City of Upland is concerned, the Arbol Verde tract may remain status quo.

The City Council decided Monday night to take no further action on de-annexation of the approximately 8 acres which lies on the far southwestern edge of the city between Blanchard Place on the south and Harvard Place on the north.

The predominantly Mexican-American area is comprised of about 12 families whose residences are separated from the rest of Upland by large pits. Because of these pits, city equipment, such as police and fire units, must travel into Claremont on Arrow Highway before doubling back into the Arbol Verde area.

The tract does not receive other services from the city. A private trash collector serves the homes, Southern California Water Co. provides the water.

Because of the separation, Upland said it was willing to consider de-annexation of the area to Montclair, which is contiguous to Arbol Verde on the south and had indicated it felt it could do a better job of providing city services.

To help determine the feelings of the people in the area, city employees who spoke Spanish were sent into the area, according to Elwin Alder, Upland City Manager. He said no opposition had been expressed.

However, three residents of Arbol Verde spoke to the Council Monday night in opposition to the action during informal hearing on the matter. Most vocal was Robert Martinez of 719-1/2 Blanchard Place.

"We who live there are perfectly content" to stay in Upland, Martinez told the Council. He wanted to know if there was any particular reason, other than financial, for considering de-annexation.

Martinez said that his area was not inclined toward the "ethnic Chicano" and they felt it would be "detrimental" to annex to Montclair because "they have environmental problems which we are getting above."

"I don't see where we could be such a big problem to you," Martinez said.

Mayor George Gibson pointed out the council did not feel the area was a problem. "We just haven't been able to give you the best service and we thought this might be able to give you better service," he said.

Councilman A. M. Hawkins said perhaps the city should have a "head count" in the area because "we've been led to believe the majority wants it (annexation to Montclair)."

Councilman Harold Bailin said he felt it "should be made clear if they don't want to leave Upland, Upland doesn't want to leave them."

When one of the Arbol Verde residents asked why Montclair wanted to annex the area, Bailin said it was because of a number of studies done in the area by "students in the Claremont Colleges who were concerned that you are of the city (of Upland) and not getting a fair share of the services. It was suggested

that Montclair, being next to you, could do a better job."

The Council decided that if Montclair wanted to pursue the annexation, it was up to them to contact the people in the area. Until then, things would remain as they have been.

"Por favor," Martinez said, "May it stay as such."

Election results

Upland School District

One incumbent retained his seat and one was defeated when Upland School District voters cast their ballots Tuesday.

William G. Rugg, currently serving as president of the board of trustees, was returned to office. Barry Brandt, elected approximately 10 months ago to fill an unexpired term, was defeated with George Ehrnman, a banker, receiving the second highest number of votes.

Voter breakdown was as follows:

RUGG	1462
EHNMANN	1443
BRANDT	1257
CHARLES KABIS	789
ERIC NOBLE	768

Chaffey Community College District

James Garliepp and Robert Bonde were the successful Chaffey Union High School District candidates in Tuesday's election for two seats on the board.

Voter breakdown was as follows:

Murphey is vice chairman of the drive.

Third installment of a continuing series

P and R budget—is it a catch all?

BY JENNY KIRKPATRICK

(Editor's Note: This is the third in a series of stories on the Parks and Recreation controversy. On March 15, the city council abolished the nine-man P & R Committee because, it said, of a letter sent to them by the P & R Committee asking the council's cooperation. The council said the committee asked too much power.)

To explain the Parks and Recreation budget to the public is difficult in that many of the accounts overlap.

While some cities have their parks under the Public Works Dept., and their recreation budget under a separate recreation category and their community promotions under the general fund, Upland has all items under the Parks and Recreation budget and then in the case of the parks and parkways, puts it under the public works budget also, which makes it hard to define what's what.

The following breakdowns are taken from the budget of 1970-71 and the Summary Budget report of Feb. 28, 1971.

Revenue sources for the Park and Recreation Fund is property tax and is estimated at \$205,344. Expended to date (Feb. 28, 1971) is as follows: Of the total allotment \$178,477, \$122,765 has been spent or 69 percent of the budget. This budget includes parkways,

town centers and Little League youth baseball fields.

One of the criticisms of this budget as expressed by citizens is that it is a "catch all" for what one would term "green space" which is in addition to the "green belt" area near the airport.

Many people feel that parks are one thing and "green space" is another and should be defined. Over and over again in citizens' reports, the people have said a park is a place to BBQ and picnic and have a play area.

Can one imagine having a picnic say on the steps of city hall or the library or Euclid Avenue? Yet these "parks" are in the park budget.

Revenue sources for the groves (future park sites) that are still operating are as follows: Pioneer site \$2,500; 13th and Benson \$2,000 and 15th and Mountain \$3,500. This fund is listed under miscellaneous.

Park site maintenance comes out of general fund and costs \$13,000.

Broken down as follows: 18th St., \$2,000; 22nd St., \$1,500; 15th St., \$3,000; 13th St., \$1,500 and 5th St., \$1,500. Expended to date \$8,542 - 66 percent.

One of the controversial items in the Parks and Recreation budget is the community promotion item. Again, many citizens have called this a "catch-all" for things not needed or for "special interests".

Surrounding cities of our size

put this under their general funds.

The breakdown for this category is as follows: Chamber of Commerce, \$14,000; (note: We are collecting a bed tax in the amount of \$18,000 a year which is going to maintain parkways.) West End Symphony, \$850; West End Opera Co., \$850; Boys Club, \$4,000 cash and \$2,000 maintenance. (note: the Boys Club burned down a year ago and all that is being maintained is some grass and a few trees).

Chaffey Communities Cultural

Center (Museum) \$850; Ontario-Upland bus service subsidy, \$2,400; Alcoholics Education School, \$720; West End Reach Out \$600 and \$1,000 was given to help complete the Garland Rogers Memorial band shell in Memorial Park. This category also has costs for putting up the American flags on holidays and buying, painting and maintaining the Christmas trees on Euclid Avenue.

The breakdown for parks is as follows:

Expenditures	Total Allotment	Expended to Date	% Allotted to date	% Expended to date

OUT OF MY MIND

By Jenny Kirkpatrick

The week that was

It was a week of contrasts, mostly dealing with politicians, but a welcome Aperitivo helped balance off the week.

Monday, it was a luncheon with Congressman Jerry Pettis and the city officials of Upland. They discussed what could be done about getting the Foothill Freeway restored to the state master plan for highways. The city officials feel that this will help alleviate the truck problem in Upland.

Pettis is an able speaker and always seems knowledgeable about his district. He certainly is the easiest politician to get in touch with. He asked city officials if getting the

freeway would solve the problems of the trucks and the officials agreed it would help but not be a panacea.

Tuesday, it was a very grey day weatherwise, but was highlighted by a relaxing visit to the West End Opera Guild's Aperitivo held in the San Antonio Heights home of the Davidsons. Beautifully appointed tea and Aperitivo tables, along with the beauty of the home made the day. Mrs. Harvey Doody, Mrs. Harold Ballin and Mrs. Caesar Val were gracious hostesses. Mrs. Ballin is president and under her leadership the group has grown to a prominent spot.

in the valley. The ladies deserve a doff of the hat for their fine effort.

Wednesday, all day was spent at a Board of Supervisor's meeting in San Bernardino. The meeting was informative and our luncheon partner was Supervisor Dan Mikesell. He is an able politician and keeps a running sense of humor going in his on and off the record remarks. He is knowledgeable about his district and never forgets a reporter's name or paper.

One thing that stood out in this meeting was that all of the supervisors were knowledgeable about all of the county, seeming to care about the whole, as well as their particular district. More meetings of this kind are needed to help keep us informed.

In Los Angeles County Supervisor Frank Bonelli in particular, and the whole board in general, keep us well informed by excellent press releases.

Friday night

Friday night will be an exciting night for us when the Twin Counties Press Club makes their annual awards. Last year we got five awards, including a general excellence for the Upland News. This year we've been told we get ten, so Jannlee Brooks and I can hardly wait to see who got ten and who got one, or if we split them. If we're lucky, our La Verne, San Dimas, Diamond Bar ad man, Carlton McCaslin, will have to eat one of my typewriter columns.

Upland LL dedication

The realization of a dream will take place on Saturday, April 24, when Upland Foothill Little League will hold the dedication ceremony for their new field at San Antonio Park. This dedication culminates many hundreds of hours of work donated by parents and interested citizens as well as many services and materials donated by local commercial establishments.

Beginning at 9 p.m., the public is invited to take part in honoring the teams, their managers and coaches, the sponsors and those whose efforts

have made possible the completion of this project. Special guests will include past presidents of Upland Foothill Little League from its inception in 1957, members of Upland City Council and City Manager Elwin Alder. Bob Edmonson will have the honor of throwing out the first ball to begin the 1971 season. The invocation will be given by Rev. Gordon Blunt. Flag ceremonies by Boy Scout Troop 608.

With the completion of the new field both the major and minor teams of Upland Foothill LL will

be able to play at the same park. The minors will be playing on Bob Flowers Field which is adjacent to the new diamond. Future plans call for enlarged snack bar facilities and landscaping of the surrounding property with grass, trees and benches. Permanent grandstands will be under construction during the season.

Bud Keeney, president of the league, cordially invites the citizens of Upland to the field dedication, but urges those who can't attend that day to make an effort to visit the park and view the new facility.

Liaison asked

Ruben S. Ayala, Chairman of the San Bernardino County Board of Supervisors, has announced that in response to his request the West End San Bernardino County Bar Association has established a liaison committee to create greater public understanding of judicial processes and controversial decisions.

Ayala, who has received nation-wide recognition for his speech "A Lay Person Takes a Look at Our Judicial System," said he believed the committee was a step in the right direction.

He said the committee would not only provide

answers to questions that have existed for years in the minds of many persons, but that it would answer these questions in terms the general public could understand.

In his well-known speech, Ayala said that as a lay person he could not understand the permissive nature of U. S. Supreme Court decisions and criticized the judicial system for releasing confessed criminals.

The Fourth District Supervisor said the new committee would provide needed clarification to government officials as well as the general public.

Upland's rock truck woes taken to Pettis

UPLAND-Upland officials, interested residents and truck operators met last week in San Bernardino with Congressman Jerry Pettis to seek the legislator's aid in expediting the Foothill Freeway.

Upland sees the freeway as "80 per cent" of the solution to the problem of rock trucks traveling through the city, officials told Pettis.

Also on hand to listen and provide information was Fred Jennings, chairman of the State Highway Commission.

Upland Mayor George Gibson told Pettis that Euclid Avenue is "Upland's greatest asset." He said the rock quarries had been in the north portion of the city for a "long time" and that demand and production were increasing truck traffic down Euclid, which was "becoming a thoroughfare" and of "questionable desirability" for residences.

Gibson noted that, because of the formerly "around the clock" operation of the trucks, "many homes on Euclid are for sale and not being bought." He said the values will be depreciated and "if it continues the whole community will be wrecked."

"The only ultimate solution is the development of the Foothill Freeway," Gibson said. "We're really here today to see if something can't be done to speed up (the Foothill Freeway) and see if these gentlemen can help us."

Fred Blanchard, Upland City Engineer, outlined the selection of 19th Street and Euclid Avenue as State Highways dating back to the 1930s. He noted that in 1954 State Route 30 (19th Street) was designated a freeway on the State Master plan and in 1962 the Upland City Council adopted the approved alignment north of 19th Street for two and one-half miles through the city.

Blanchard said that in 1968 Congress approved adding 1500 miles to the Interstate System and Route 30 was one of the proposed additions, but after review was not included in the Congressional adoptions. The Foothill Freeway now ends at Foothill Boulevard in San Dimas.

From San Dimas to the Devore Cutoff is approximately 16 miles, Blanchard said, of which two and one-half miles lie in Upland.

Northeast Upland is almost immediately adjacent to the freeway and the proposed route cuts

through the rock quarry area. Trucks could get on the freeway at that point and not pass through Upland at all, the city engineer said.

Jennings said, "Sorry I don't have good news" on the freeway. He cited lack of funds. He said the Foothill Freeway had to compete with "every other freeway in the area" for funds and that the "picture is not optimistic." He said that the 16 miles from San Dimas to Devore had been programmed after 1978, the new date of completion for Interstate System.

Pettis told the interested listeners that the Inland Empire was a "growing problem" with more people, meaning more freeways, and that in the next four to five years the Congress may change the formula for freeways to "do a little more for highways and freeways that don't qualify under the interstate formula."

Pettis said that just because things haven't been done doesn't mean it's impossible. He cited Cucamonga Creek which finally received authorization last year. He said he "played hearts and flowers" for two years to get it funded and "today Cucamonga Creek is an assured project."

Local students enter Inland Science Fair

By John Walsh
ALHS Journalist

ALTA LOMA-Annually students from San Bernardino County participate in the Inland Science Fair. This year the fair was held at the National Guard Armory in Ontario.

Three students from Alta Loma High School participated this year: John Dumont, a senior, entered a logic computer in the Math and Computer division. Last year John received a first place award for his entry. This year he received two certificates of achievement, from the

U. S. Air Force and the Army.

Raymond Leos, a freshman, entered his project entitled "Are Quasi - Stellar Objects Related to White Dwarfs" in the Junior Earth and Space Science division. He won a first for 9th grade physical science projects.

Jack Wilson, freshman, entered his experiment in subconscious learning in the Junior Human Biology division.

The competitors are judged on their creative ability, scientific thought, thoroughness, skill, clarity, and dramatic value.

Upland youth takes first in film making competition

By Barbara Tarshes
Cal Poly Intern

UPLAND - A class project, based on a tale heard at camp, has won for 12-year-old Steve Vanderwilt first prize from National Educational Television (NET) in junior division animation.

Steve, the son of Mr. and Mrs. William Vanderwilt of Upland, produced the film for a seventh grade class project at Pioneer Junior High School.

His instructor, Mrs. Mann, sent the film to KVCR-TV (Channel 24) where the film won first prize in animation. The local station then sent it to New York for the national NET competition.

Steve's project was for a communication's class where class members who had access to movie cameras were asked to make short films.

Steve borrowed an 8 mm camera from his older brother, developed the animation for his film "Tom the Head" and went into production. It took him more than two days to produce the 3 minute 45 second film.

"Tom" is, as the title indicates, just a head who bounces to school each morning. The girl who sits behind him in class isn't too happy about the head sitting in front of her.

Tom lays in bed one

night wishing he could be anything but a head and when he wakes up in the morning he finds that his wish has been granted. He's a grape. As he bounces into class he stops on the desk of the girl, who liking grapes very much, eats him.

Steve's moral to the story is simple. Quit while you're a head.

Each frame for the an-

imated story had to be shot separately with 16 frames making up one second of film. Steve drew the sets and did all the animation himself.

As winner of the national competition, Steve will receive \$500.

The film will be aired during a one-hour special on KVCR-TV May 29 at 9:30 p.m.; May 31 at 2:30 p.m.; and June 2 at 5 p.m.

Gambit

By Bobbe Monk

Supervisor Daniel D. Mikesell talked informally about the problems of his office, and his district, to three editors of the Bonita Publishing Company last Thursday, April 15.

The discussion followed the editorial conference to which all San Bernardino County news agencies were invited. At the conference, county supervisors and directors of various agencies (regional parks, flood control, etc.) outlined the programs now underway, or planned, for the county.

Following the presentations and a question and answer period, newsmen and women were invited to lunch with the officials.

Talking with Mikesell were Mrs. Jenny Kirkpatrick, managing editor of the Bonita Publishing Company; Mrs. Jeannie Quaintance, city editor of the Montclair Tribune, and myself, for the Upland News and Cucamonga Times.

Mikesell noted the number of committees on which he was obliged to serve, and more than half of which he serves as chairman. He indicated this was a necessary portion of his function as supervisor although it precludes his being able to spend as much time touring his district and talking with constituents as he would like.

The supervisor said his favorite committees tend to be those dealing with transportation. He said he feels that a good system of rapid transportation is rapidly becoming necessary in San Bernardino County.

He suggested studying the feasibility of a "joint power" transportation system in the West End, one that would include Pomona, Ontario, Upland and Montclair.

He touched on aviation, municipal airports and Ontario International Airport, on which he has spent many hours. He laughingly told of his desire to get on an aviation commission board, and was passed over in favor of a "woman helicopter pilot" who later came to him for some advice.

Mikesell also said that, as far as regional government was concerned, "I don't think any of us are ready for that yet." He suggested that one day, after studies have been completed on transportation, water, sewer, etc., "we might want an implementing agency," but not yet.

Mrs. Hugh Cleveland will be one of many area residents showing creative stitchery, weavings and macramé at a Chaffey Community Art Association display May 1, in the Upland Library. All area women are invited to display their own handmade items. Further information may be obtained by calling Mrs. Russell Barnum, 986-9729.

CHURCH NEWS

UPLAND—A program of sacred music will be presented by the Pasadena College A cappella Choir Sunday, April 25, at the Upland Church of the Nazarene. The concert will begin promptly at 6 p.m.

The Rev. Irving E. Sullivan, pastor, states that the local church is delighted to sponsor the only appearance of the group in this area as a service to the community. There will be no admission charge.

The Choir is under the direction of Dr. Chester Crill. The group will be making appearances at churches, youth rallies and civic assemblies. The forty members of the Choir, selected by audition, rehearse daily in order to maintain the high standards of performance for which the group is known. The program selected for the appearance will include many well-known sacred compositions by major composers, as well as representative spirituals and beloved hymns.

Pasadena College is a Liberal Arts College with a broad general education curriculum including majors in 17 academic fields. In addition, graduate degrees are offered in religion and education.

SCHOOL NEWS

by Jane Colombero
ALHS Journalist

On April 28 and 29 photographers will come to Alta Loma High School to take student body pictures. The studio is offering the "Pick-A-Pack" program to the parents. The family may select the plan which best fits their needs. There are four plans being offered.

A reminder will be sent home to parents of Alta Loma High School students just before picture day. They will receive an order form outlining the four plans and envelopes in which to enclose the money for their order. Only those bringing money on picture day will receive a package.

These pictures will be used by Alta Loma High School students as the students' identification for the following year, as well as the picture inserted in the school yearbook and on their ASB cards.

UHS sponsors photo contest

UPLAND - A photography contest for area residents under 30-years-old is being sponsored by Upland High School.

Persons residing in Upland, Ontario, Alta Loma, Mount Baldy and Montclair may enter.

Awards will be made for black and white prints, color and color transparencies in the two subject areas of people or otherwise.

Prints must be from 4x5 to 11x14 in size but are not required to be mounted. An entry fee of \$1 will cover as many photos as the individual submits.

Each photograph must have the entrant's name and address clearly

printed on the back of the print. Slides are marked on the lower front left corner.

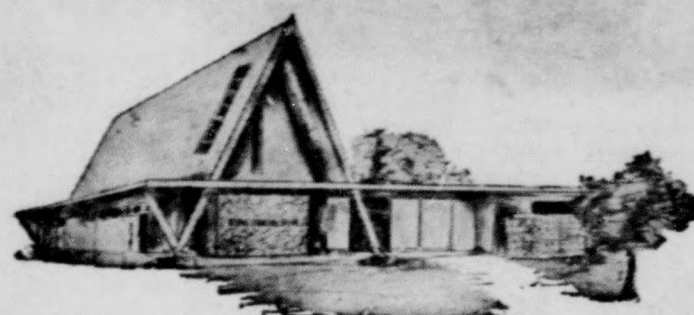

The deadline for entries is April 31, 1971. Entries must be packaged in a large enough Manilla envelope to accommodate the photographs. Enclose a second envelope of the same size, folded in half, with the entrant's name and address printed on it, and with the appropriate postage attached. Entry blank must be sent with the entry and may be obtained from the school.

Results will be announced at 7:30 p.m. May 7 at the UHS Auditorium. On May 5, 6, and 7 all doors will be open from 2:30 p.m. until 6 p.m., on May 7 they will be open from 2:30 p.m. to 5 p.m., then 6 p.m. to 8 p.m. when the winners will be announced and the awards will be presented.

Awards will be a Grand Prize of \$25 cash, with first, second, and third place ribbons in each subject category for color prints, black and white prints, and color transparencies. Six honorable mentions will also be awarded.

ALHS musicians to attend festival

By Nancy Nau
ALHS Journalist

ALTA LOMA -- On Saturday, April 24, students in the Alta Loma High School instrumental music department will attend the Chaffey District Solo and Ensemble Festival, to perform musical pieces selected by the performers themselves.

The Chaffey District Solo and Ensemble Festival is sponsored by Chaffey College and the Ontario-Montclair Districts. They are under the affiliation of SCSBOA, the Southern California School Band and Orchestra Association. This year the festival will be held at Chaffey College. Students from the elementary, junior high and senior high schools in the districts may attend. Solos and Ensembles

entered in the festival are rated either poor, fair, good, excellent or superior. Students who achieve a score of excellent or superior may attend the Regional Festival which will be held on May 8 at U.C.L.A. Last year there were 45 entrants in the Chaffey District Solo and Ensemble Festival. This was the greatest number of entrants ever to participate in the festival. Virtually all who entered earned a score of excellent or superior.

Students from Alta Loma High School who participated and earned a superior score and went on to the Regional Festival were Glen Corner who gave a trumpet solo, Dava Selby and John Ayala, who gave a clarinet duet, Dava Selby, a clarinet solo, and Valerie Skinner, a flute solo.

'Cancer Crusade time is now' say chairmen

"The time is now," said Ted Lewis and Mrs. Elmer Williams, "to give generously to the American Cancer Society."

The traditional April fund-raising Crusade is well under way and numerous local volunteers are directing their efforts towards meeting West End quotas.

Ted Lewis, of Ameron Steel, is campaign chairman for Etiwanda. Mrs.

Scott Robinson is that community's residential chairman. Mrs. Elmer Williams is in charge of the April Crusade in Alta Loma. The respective quotas for Etiwanda and Alta Loma are \$1,530 and \$1,560. The total 1971 goal for the eight communities comprising the West End Branch of the American Cancer Society's San Bernardino County Unit is \$53,400.

Too many cooks?

Too many cooks may spoil the soup but when the menu is pancakes, the more help the merrier. St. Joseph's Parent-Teacher Guild is sponsoring a pancake breakfast April 25 from 7 a.m. to 1 p.m. in Upland Memorial Park. Checking the mixing bowls are Kirstan Hoyle, Joan Knipe, Robbie Regal and Dennis Hoyle. Donations of \$1 per person will go to the library book fund. Tickets may be purchased at the breakfast or by calling 982-4278.

BUSINESS BRIEFS

Retirement

UPLAND - Upland resident Gladys L. Robertson retired this month after 40 years service with Southern California Gas Co.

A native of Pomona, Mrs. Robertson graduated from Pomona High School and Thorne's Business College of Pomona. She joined the gas company in 1931 as a clerk in the Pomona office. Since 1945 she has been commercial cashier-in-charge in the utility's Pomona West Division.

Gladys L. Robertson

Named distributor

UPLAND - Mr. and Mrs. Joseph F. Eggert has been named a local distributor for Usasery Industries, Inc., a national confection vending company.

Cecil F. Usasery, chairman of the board of UI, said Mr. and Mrs. Eggert have invested in the local operation and will be responsible for distribution, maintenance and service functions in this area.

Usasery distributes only nationally known, pack-

aged confections through its more than 5000 distributors. Among its lines are Sunshine, Burry, Austin, Planters and Nabisco products. The Dallas-based firm manufactures its own vending equipment which is installed in employees lounges, university student lounges, public snack rooms and similar locations.

Mr. and Mrs. Eggert live with their three children at 2286 Laurel Ave., in Upland.

Doctor installed

UPLAND-Doctor Louis C. Altman of 360 E. Seventh Street, Suite M, Upland, will be installed as a Fellow of The American College of Obstetricians and Gynecologists at its Annual Meeting, May 3-6, in San Francisco.

The College, which was founded to promote the health and medical care of women, accepts physicians who specialize completely in obstetrics and gynecology, who have demonstrated clinical ability by successful completion of an examination, and who have been judged by their colleagues as competent and ethical physicians.

Further, a fellow must be a graduate of an approved medical school and for at least five years prior to applying for membership in the College he must have limited his practice to obstetrics and gynecology.

New organization

Joe H. Glasson, left, of Upland, and Carl H. Lorbeer, right, former manager, successively, for three telephone companies in the Pomona area, receive congratulations from D. E. LaMaster on formation of Pomona-Ontario club of the Independent Telephone Pioneer Assn. Glasson, fleet administrator for General Telephone Co., is president of the new club which will be named after Lorbeer. LaMaster is president of the national ITPA group.

SCHOOL NEWS

Monte Vista PTA

MONTCLAIR -- Mrs. W. L. Lowry currently a sixth grade teacher at Monte Vista Elementary School was honored by the PTA recently in receiving the Honorary Service Award.

In presenting the award a spokesman for the Monte Vista PTA noted the following services Mrs. Lowry performed. As a member of the Westminister United Presbyterian Church of Ontario, she has been superintendent of the church school since 1968, she also served on the building committee which constructed the present educational building in 1967. Mrs. Lowry has also served as a deacon in the church.

As a teacher, Mrs. Lowry has been active in the Ontario - Montclair Teachers Association serving as Monte Vista's building representative, chairman of professional relations committee and is currently serving on a committee concerned with reduction of class size.

Again in the teaching profession, Mrs. Lowry served as a leader of the math-in-service program for the teachers of grades four, five and six in the Ontario - Montclair district. She also helped Kingsley School's PTA with its project of constructing manipulative materials for math.

Mrs. Lowry's husband, "Bill" is a teacher at De Anza Jr. High School and her daughter, Nancy Patterson, was teacher at Chaffey High School while daughter Susan is a teacher at Vineyard School in Ontario. Janet is a Peace Corps volunteer in Sierra Leone.

COLLEGE CHATTER

Henry Parker

Henry Parker, son of Mrs. Borge Parker, of Montclair, has been admitted to Chapman College for the fall 1971 semester.

Parker graduated from Montclair High School and has attended Chaffey Junior College.

Chapman College, located in Orange, California, is one of the state's oldest, independent, church-related, liberal arts institutions. The College's Division of International Studies administers World Campus Afloat, a unique program integrating regular semesters of coursework aboard ship with directed in-port experiences around the world. Beginning with the fall 1971 semester WCA makes its home aboard the former R.M.S. Queen Elizabeth, rechristened the U. S. Seawise University.

BA awarded

A record mid-year graduating class of 75 seniors received bachelor of arts degrees from California State College, San Bernardino at the close of the winter quarter.

From Etiwanda, Mrs. Dorothy N. Pepin, 13017 Larrera St.; psychology.

All A students

UPLAND - Claremont Men's College has announced that four Upland students received all A's for the fall semester. They include Crowson E. Haley, Jr., Richard Reed, Richard Rogers and Robert Seaman.

Claremont Men's is one of the six Claremont colleges and is a liberal arts college which emphasizes public affairs.

Bob Sos

UPLAND - Bob Sos, a Whitman College freshman from Upland, has been selected for the 1971 edition of Outstanding College Athletes of America.

Sos, who has won one letter in cross-country, is the son of Mr. and Mrs. Joseph Sos, 891 N. 9th Avenue, Upland.

The former Upland High School athlete was selected on the basis of his displayed abilities, not only in athletics but also in community service and campus activities.

Sos was among 11 Whitman athletes selected for inclusion in the volume.

Mrs. W. L. Lowry

YOUTH ACTIVITIES

Alta Loma 4-H

ALTA LOMA -- A Bake Sale will be held during the Alta Loma Riding Club show Sunday, April 25.

The Bake Sale is a fundraising effort of the newly-formed Alta Loma 4H Club. This club is engaged in a 4H Light Horse project: part of this project is the formation and training of a mounted drill team.

Members enrolled in the 4H Light Horse project are: Deborah Bangle, Debbie Bement, Raylene Bement, Vicki Boesen, Patti Boman, Lynne Bronder, Pat Brookman, Cathy Dineen, Jill Ellington, Mike Falabella, Floria Foster, Jami Hines, Dale Kroger, Diane Kroger, Mark Lesondak, Susie Lowe, Laurie Lumley, Jack Marsee, Steve Marsee, Cheryl McGeehan, Kimber Pot-

ter, Mary Lynn Sauko, Nancy Schiavoni, Bob Spiera, Gloria Spiera, Ron Van Houten, and Sherri Van Valley.

Mrs. Rosemary Schiavoni is in charge of the Bake Sale. She may be contacted by phone at 987-3359.

Leaders of the newly-formed 4H club are Mrs. Nancy Mayor and Mrs. Jackie Potter.

Mt. Baldy Apt. Assoc.

opens office

As part of the major reorganization program, the Mt. Baldy Area Apartment Association has moved to a new office location at 5196 Benito St., Montclair, announces executive secretary Mrs. Eleanor Warren. Next to the post office, the phone is 626-2015.

The association provides information and services to apartment owners and managers and through contacts with those persons, assists those who serve the apartment industry. The offices of the association formerly were in Claremont.

Linkletter will speak

Television personality Art Linkletter is slated to speak on the Loma Linda campus of Loma Linda University Saturday, April 24, at 8 p.m. in Gentry Gymnasium. Perhaps best known as host of long-running television shows "People Are Funny" and "Art Linkletter's House Party," Mr. Linkletter's appearance will highlight the annual School of Health alumni weekend. He will tell "When People Aren't Funny," an account of the widespread use of narcotics in the nation.

The program is open to the public. Admission prices are \$2.50 per adult, \$1.50 for children; and \$6 for families.

Environmental Expo will open

An ENVIRONMENTAL EXPO sponsored by the Environmental Action Council of Pomona Valley will be held at the Montclair Plaza Shopping Center, April 22 through April 25, in celebration of Earth day weekend. The exhibit will include environmental movies, slide shows and other educational materials.

The Council has just completed a ten week course entitled: "Let's put our Environment Together," in which over 400 people were enrolled.

The Committee developing EXPO is composed of volunteers who attended the course. They report that there are over 25 participating organizations from throughout Southern California, including such diverse groups as city and water planning agencies, elementary and high school ecology clubs, conservationists and those concerned with population growth.

The public is invited to this exhibit. Montclair Plaza hours are: Thursday and Friday: 10 a.m. to 9:30 p.m. Saturday: 10 a.m. to 6 p.m. Sunday: Noon to 5 p.m.

NOTICE OF ASSESSMENT JOYA MUTUAL WATER COMPANY

Principal Office - 2475 Sierra Drive, Upland, California

Notice is hereby given that at a meeting of the Board of Directors of JOYA MUTUAL WATER COMPANY, a corporation, held on April 3, 1971, an assessment of Eighteen Dollars (\$18.00) per share was levied upon the shares of the corporation, payable to the Secretary of the corporation, Howard N. Mason, at the office of the corporation, 2475 Sierra Drive, Upland, California. Any shares upon which this assessment remains unpaid on May 4, 1971 will be delinquent, and unless payment is made prior to delinquency the said shares or as many of them as may be necessary will be sold at said office of the corporation on the 25th day of May, 1971, at 9:00 a.m. of such day to pay the delinquent assessment together with a penalty of 5% of the amount of the assessment on such shares, or be forfeited to the corporation.

Further, at respective meetings of the Board of Directors of said corporation held on the nine respective dates listed below, respective assessments of the amounts per share listed below were levied upon the shares of the corporation, which assessments, as to twenty-five shares of stock of the corporation then and now standing of record in the name of Thomas W. Kendall have never been paid, and each such assessment has been delinquent since the year it which it was levied. The dates of the meetings at which said nine assessments were levied and the respective amounts levied per share were and are as follows:

April 11, 1964 \$14.00 per share; October 13, 1964 \$10.00 per share; April 10, 1965 \$18.00 per share; November 23, 1965 \$10.00 per share; April 2, 1966 \$17.00 per share; April 1, 1967 \$17.00 per share; April 13, 1968 \$17.00 per share; April 5, 1969 \$17.00 per share; and, April 4, 1970 \$21.00 per share.

Said twenty-five shares are already delinquent and if any are not now delinquent they will become delinquent on May 4, 1971 and unless payment is made prior to delinquency, the said shares or as many of them as may be necessary will be sold at said office of the corporation on May 25, 1971 at the hour of 9:00 a.m. to pay said delinquent assessments, together with a penalty of 5% of the amount of such assessments on such shares or be forfeited to the corporation.

CLUB DOINGS

Forty-Plus Minus

A "Spring Spree" Dance will be held Saturday, April 24, by the Forty Plus or Minus Club at Westmont Community Center, 9th St. and Goldenrod Pl. Pomona. Single adults over 30 are invited to attend.

Doug Thomas' orchestra will play from 9 p.m. to midnight. Mixer dances and refreshments at tables enable newcomers to meet others. About 85 persons attend the dances.

Sponsored by the Pomona Parks and Recreation Department, the club holds dances the second and fourth Saturdays of every month.

For more information, call 623-5693 or 622-4361.

W.E. Demos

The West End Democratic Women's Club meeting will be held, Wednesday, April 28, at noon, at the Upland Library, "D" Street and Euclid Avenue.

Guest speaker will be Professor Chester Wright of the Social Sciences Dept., Chaffey College.

His topic will be Taxing for public schools and the

proposed gambling legislation.

NSA

The last full week of April is designated as National Secretaries Week. One of the special functions to be held during that week will be the annual Executive Night dinner sponsored by The Industry Chapter of the National Secretaries Association. The dinner is planned for Thursday, April 22, at the Via Verde Country Club.

A feature event will be the awarding of the Boss of the Year trophy to an outstanding executive from this area. The selection is based on background information submitted by their secretaries.

Secretaries interested in getting more information about this event or in obtaining membership information, may do so by calling the NSA Hot Line - 442-1800.

For further information, contact Helen Bell, Executive Night Chairman, The Industry Chapter - 964-1261.

Gadabouts

On Monday, Apr. 26, the Gadabouts of the YWCA of Greater Pomona Valley

will visit Farmer's Market in Los Angeles.

The bus will leave the Alpha Beta parking lot, 3rd and D Streets in La Verne, at 9 a.m. on the 26th. Call the YWCA office, 599-4200 for further information. Reservations should be in the Y Office by Apr. 23. The cost will be \$3. The public is invited to attend the event.

McKinley Fashion Show

The Women's Auxiliary to the McKinley Home for Boys, San Gabriel Valley Chapter, will sponsor the eighth annual fashion show and luncheon on Tuesday, April 27, at Orlando's Restaurant in Pomona. The event, titled "McKinley Mixed-up Modes" will begin with a social hour at 11:30 a.m., with luncheon at 12:30.

Club members will model the latest in spring and summer styles from Alfred Gray of Pomona.

All proceeds from this year's show will go toward the purchase of equipment and furnishings for the boys' cottages.

Earth Week

Chaffey College will offer a spectrum of community and campus environmental attitudes in its observation of Earth Week, April 19, 21, 23.

Speakers for the first day, a Monday, will be Gene Zdonowski, a consultant for the Riverside County Department of public health, and James Des Lauriers, Chaffey College life science professor. Both will appear in the little theater.

Zdonowski's presentation, slated for 10 a.m., will concern "Biological Control." He is a vector control specialist. Des Lauriers will follow at 11 o'clock with "Zoning, Community Development and Water Resources."

Earth Week will start here at 9 o'clock that day with the raising of the Chaffey College Ecology Club's ecology flag. This club is implementing the entire three-day program.

Featured on Wednesday in Forum 14 will be two San Bernardino County spokesmen. They are Ruben Ayala, board of supervisors chairman, and Stance Wilcoxon of the

Ayala will go on at 9 a.m. with "Economic Development of San Bernardino County" and Wilcoxon at 11 with "Ecology and the Black Man." Between these addresses a videotape on population control methods will be shown at 10 o'clock.

The Ecology Club plans also to have a noon speaker on hand as a representative of the United Nations World Health Organization.

Topics and speakers scheduled in the little theater for Friday of Earth Week on this campus are:

--10 a.m., "Population and Elbow Room," David Haven, another CC life science professor.

--11 o'clock, "Cases in Court on Environment," Joe Diamond, attorney for the People's Lobby and Clean Air Now.

--1 p.m., "Dams and Their Effect on the Environment," Alan Goldstein, CC geology professor.

Pro Stars will help Cancer Drive

Leadership for the American Cancer Society Crusade in San Bernardino County will get a strong boost from two bulwarks in the world of professional football - Merlin Olsen and Skip Vanderbundt - who will serve as California's 1971 Cancer Crusade co-chairmen, it was announced recently by Chief Sidney Jones, county Crusade Chairman.

Olsen is a nine-year All-Pro defensive lineman for the Los Angeles Rams and Vanderbundt will be entering his third year of Linebacking chores with the San Francisco 49ers.

Chief Jones said the two blond athletes will make public appearances around the state in support of the annual educational and fund-raising Crusade that reaches its peak with the April house-to-house drive.

Both players feel that last year's tragic loss of Coach Vince Lombardi to cancer had a great deal to do with their involvement in the Cancer Crusade, according to Chief Jones.

Other sports greats who have lost their lives to cancer include Ty Cobb, Babe Ruth and Fred Hutchinson, baseball; Barney Ross, boxing; "Pop" Warner, football; and Babe Didrickson Zaharias and Walter Hagen, golf.

In addition to Olsen and Vanderbundt, quarterback Darryle Lamonica and Linebacker Gene Upshaw of the Oakland Raiders and Jack Pardee, former Linebacker for the Rams have been active in this year's Cancer Crusade.

Around The World banquet planned

International Week will be celebrated at Chaffey College with the traditional flag ceremony, April 26, and the around-the-world banquet, May 1.

Twenty countries will be represented in both the flag ceremony and the banquet cuisine and by exhibits throughout the week. Members of the International Relations Club will prepare the dishes.

The flag ceremony is slated for noon at campus center on the first day and the dinner for 6 p.m. at the school cafeteria on the last. The dinner will also involve folk dances with audience participation.

The Chaffey College "foreign colony" comprises 46 students, many of whom will appear on campus that week clad in the dress of their native lands.

The students are from Bolivia, Canada, Chile, Costa Rica, Ethiopia, Ghana, Greece, Hong

Kong, Honduras, India, Iran, Israel, Japan, Korea, Mexico, Nigeria, Pakistan, Thailand, Taiwan and the Republic of China.

Mt. Baldy Apt. Assoc.

Proper and legal qualification of prospective tenants for apartment units will be the subject of a panel discussion at the next meeting of the Mt. Baldy Area Apartment Association.

and persons interested in servicing apartment houses are invited to attend the meeting at 7:30 p.m. Monday, April 26, at Pomona First Federal Savings and Loan Association Community Room, Foothill and Indian Hill.

Delinquency declining says Probation Officer

Dwayne Whitfield

Since 1900, Sergeant Alderson and fellow crewmen from the Tactical Air Command's 313th Tactical Airlift Wing operated five C-130 Hercules transports daily during the emergency operation.

More than 400 tons of hay were airdropped in a five-county area during the five-day humanitarian mission.

Sergeant Alderson is a 1966 graduate of Montclair High School. He has completed 18 months duty in Vietnam.

He was selected for his soldierly appearance, knowledge and performance of duties and military courtesy.

Spec. 4 Whitfield is a bulldozer operator in the Battalion's 15th Engineer Company.

"Probation and the entire field of corrections are on the verge of revolutionary change," according to Los Angeles County Chief Probation Officer Kenneth E. Kirkpatrick.

In addressing the annual meeting of Supervising Deputy Probation Officers at Rodger Young Center in Los Angeles, Kirkpatrick cited a number of the major issues facing his profession and the entire Criminal and Juvenile Justice Systems.

Some of the basic concepts in the American justice system in the past

are now being questioned, he said, including such major areas of "crime" as drunkenness, use of drugs, prohibited sexual behavior and other "crimes without victims" which may soon be removed from the criminal statutes, at least in their present form.

Chief Kirkpatrick also discussed substantial reductions in the Probation Department's juvenile workload during the past year. Juvenile investigations are down 14.6% from 2789 to 2381. The juvenile supervision caseload is down 8.2% from 18,500

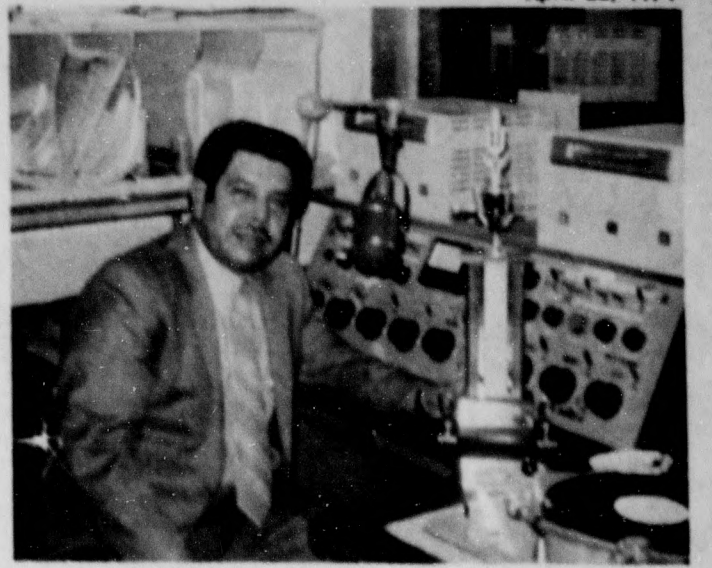

in January to 16,984 in November of 1970. The number of children detained in the department Juvenile Halls is down even more, with a reduction of 16.8% in the past year.

While no one knows all the reasons for this reduction in delinquency, Kirkpatrick said that the Probation Department deserves a measure of the credit because of the many special programs of intensive community treatment and other programs which are showing good results.

Another important

change is that represented by the present effort to have Section 601 of the Juvenile Court Law repealed, thus removing from the jurisdiction of the Juvenile Courts such matters as truancy, "in-corrugibility" and other "predelinquent" behavior.

The number involved in special Los Angeles County probation programs has increased from less than a thousand in 1967 to nearly 5,000 in 1970. Many of the County programs are financed through the California State Aid to Probation

DJ honored

Frank Ayala, popular Spanish radio disc jockey for Radio KKR Pomona was presented Sunday, April 11, in Pomona with a 24-inch trophy with a microphone on top before an audience of 200 people. Another Carter honor

Allen Carter, Bonita High's Super Star, is shown being honored last week with a Commendation from the County Board of Supervisors. Supervisor Frank Bonelli, left, presents the Commendation to Carter as San Dimas City Councilman Jim Lough and son, Jim Jr., Bonita's Chief Justice, look on. Bonelli paid a glowing tribute to the All-American, and expressed pleasure that Carter selected a school in Southern California to attend in the fall, University of Southern California in Los Angeles.

Bobby Sox slate sale

ROWLAND HEIGHTS-- Bobby Sox is having a candy sale April 24 through May 11 to raise funds for needed equipment.

April 22, Chocolate candy will be distributed to all the girls registered in the league. The hope is that each girl will sell one case. Individual winners for most bars sold will be announced by league secretary, Charlotte Ulrich.

Kick - Off - Day is planned for Saturday, April 24, the same day our league play gets underway. The new field should be available for league play.

At the present time more material for backstops and some type of power equipment to cut the grass is needed. Anyone wishing to donate material or time please call league president, D.L. Rickard 213- 964-5777.

LV coed crowned

WALNUT - Carl Malden crowned the Mt. San Antonio College Relay queen Kay Broadwater at the relay banquet held last Friday evening. Miss Broadwater, a sophomore from La Verne, is a physical education major at the school. She is a member of the College Sports Association and is Women's Athletic Commissioner.

She will reign over the MSAC Relays to be held this week-end. First runner-up was Debra Lambert of Diamond Bar. Second runner-up was Evelyn Cervantez of West Covina and third runner-up was Paula Balog of Pomona.

Kenneth Williams

MONTCLAIR - Navy Fireman Apprentice Kenneth N. Williams, son of Mr. and Mrs. Darnell Williams of Montclair, is serving aboard the amphibious attack cargo ship USS St. Louis, which is returning to its homeport of Long Beach, after an eight month deployment to the Western Pacific.

While cruising in the Western Pacific the ship received an emergency call from the Greek merchant cargo ship Eugenia M. to bring medical assistance to a seriously ill second mate. The St. Louis reversed her course and headed towards a rendezvous point.

Savings and Loans finance over half the homes in this country

by Lewis S. Eaton, Vice President
United States Savings and Loan League

We've been committed to helping American families buy homes for over a hundred years.

Take the last three years, for example. Three years when money was tight. Three years when mortgage money seemed to be drying up.

1967: Savings and Loan Associations supplied 56% of the total mortgage loans made, providing 17.8 billion dollars.

1968: Savings and Loan Associations supplied 58% of the annual total, providing 19 billion dollars.

1969: Savings and Loan Associations made 59% of the total, providing 18.9 billion dollars for home mortgages.

And our commitment will be honored this year, too, by providing over half the home mortgage money.

We're facing the future with confidence. We have good reason.

The Savings and Loan industry has currently invested over 150 billion dollars in residential home mortgages.

And we did it by encouraging thrift. By employing the savings of our 45 million depositors--investing and re-investing in home mortgages.

Over the years, in fact, more than 90% of Savings and Loan investments have been in loans on residential properties.

When it comes to home financing, Savings and Loan Associations will continue their leadership.

Because--we're committed to it.

We might ask, "Where would our housing supply be if there were no Savings and Loan Associations?"

Suzanne tracksters continue win streak

WALNUT -- On Saturday, April 3, a group of Suzanne runners went to Pasadena City College to represent the city of Walnut in the San Gabriel Valley Municipal Athletic Association Track Meet. All the cities in the San Gabriel Valley had a representative team.

Dan Bryson won a gold medal in the high jump with a leap of 5'4". Dan also placed 4th in the triple jump with a jump of 34' 3" to break the school record. Kyle Morgan won the 180 yard dash in an excellent time of 17.5 for a gold medal and took second in the 100 yard dash with the time of 11.2. Ed Ortega set a new eighth grade record in the mile by running 5:30.4. This was good enough for a second place silver medal.

Suzanne also collected two third place medals; Ken Czarniecki in the shot put with a throw of 49' 11" and Daryl Mendivil in the 1320 with a new school record of 3:39.8.

Other places were won by Scott Carter, 5th in the 880 (2:36.2), Daryl Mendivil, 5th in the triple jump (34 1/2"), Tom Whiston 6th in the high jump (4'8").

Jr. High Y's compete in YMCA hoop tourney

The Annual West End YMCA Invitational Basketball Tournament was held Wednesday, April 7, at the West End YMCA.

Approximately 90 boys representing Jr. High Y's in the West End and in the Pomona Valley were represented. The program was under the direction of Jim McCoy, YMCA Jr. Hi-Y supervisor.

A powerful and balanced group of teams were assembled, featuring perhaps the most outstanding junior high team to be assembled in this area for sometime, Ramona Junior High, of Chino, under the expert coaching of Dallas Flisher. A new and outstanding addition to the field was Pomona YMCA, featuring a group of boys who just returned from winning the Southern California YMCA Sports Festival, representing some 50 teams and having just completed an undefeated season.

The tournament was divided into two divisions, B and A. In the B Division first game, Ramona B's of Chino defeated Montrose of Upland 30-24. Ramona featured a balanced scoring attack while Montrose was led by Bob Pillasch with 14 points and Mike Compton with 8 points. Ramona seventh grade

defeated Upland 18-16 in a low scoring defensive battle. The championship game pitted the two Ramona teams against each other. In a very close game Ramona seventh defeated Ramona's B's 34-32.

In the B Division consolation championship Montrose of Upland defeated Upland Junior High B's in a highly contested game 40-38.

Montrose was led by Mike Compton with 16 points, Bob Pillasch with 15 points and George Ferraro with 8 points. Jerry Rhodes of Montrose scored the final baskets to put the game out of reach. Upland Juniors were led by Ron Fleener with 11 points and Ernie Rivera with 10 points.

In the A division, Ramona was led by Keith Munde 12, Steve Burton 10, Manuel Delgado 9 points. Upland A's were led by Martinez with 9 and Rivera with 6 points. In the consolation round Upland defeated Pomona 1st Baptist by a score of 48-32. Upland was led in scoring by Rivera with a total of 12 points.

The finals brought together the top seeded teams in the tournament, Ramona of Chino and Pomona Y with Ramona winning 34-30.

Relays promise top tracksters

WALNUT - Traditionally the decathlon events at the Mt. San Antonio Relays are a showcase for the best all-around athletes in track and field. The field lined up to meet director Hilmer Lodge for the 13th renewal of the Mt. Sac Relays, April 23-25 is again loaded with competitive talent.

Jeff Bennett, John Warkentin and Russ Hodge, all among the top five on the world decathlon list last year, will face the challenge of Dr. Tom Waddell, Jeff Bannister and a quartet of record holders from four foreign nations.

Bennett racked up an impressive 8072 points in last year's Drake Relays for the best Americantotal of 1970. Warkentin is rapidly improving and the former Fresno State ace could well be a threat to C.K. Yang's meet record of 8089 points.

Hodge had his best season from a health standpoint, turned in a high

mark of 8025 and was first place in last year's Mt. SAC Relays. He has been competing in Trinidad recently and is reportedly in very good shape.

Dr. Waddell, currently on the staff at the Stanford Medical School and a member of the 1968 Olympic team as a Captain of Medics in the Army, could be one of the top threats in the United States and will point for a return to Olympic competition in Munich.

The foreign contingent includes Barry King, the English record holder who finished third in the 1970 Commonwealth Games, Andrei Sepsey, the Rumanian champ, Louie Jordan, a student at Westmont College who holds the Irish title and Canadian champ Gordy Stewart.

The decathlon gets underway Saturday, April 24, at 10 a.m. with the running of the 100 meters.

Bonita coeds--

By Sandy Garrison
Bonita High School G.A.A.

At the mention of the word "track," most Bearcats will just turn off. It's true, our hard-working guys haven't exactly been the powerhouse that the football team was, but don't walk off the track disappointed, because a winning team does exist. Yes, from Bonita.

The 30 members of the G.A.A. track team have been very successful in their endeavors. Since February, the girls have been competing in two leagues, the tough San Gabriel league and the new G.A.A. San Antonio League, which was just formed this year. The team, competing in the San Gabriel League finals at Arcadia Mar. 31 set a new league record in the 880 pursuit relay, and placed fourth in the league.

The team travels with the boys' team to the schools in the San Antonio League and a co-ed meet is then run. On Apr. 30, both boys' and girls' teams will compete in the Chino Relays. In last year's Chino Relays, the girls took first place and are confident that they will win this year also.

The girls are coached by Mrs. Brennecke and Miss Amiguet. The manager, Kathy Henley, is also a member of the team. Although the coaches don't have the "yell power" of coach Parkson, they've got what it takes. The girls are reaping the honors and awards. So come on up to the track and "see how they run." They won't disappoint you.

Fathers-sons ready field

CUCAMONGA - The Vineyard Little League fathers and sons are urged to participate in the Field Day Saturday, April 24 at the little league field.

The day-long readiness program for the field will begin at 9 a.m. and participants are asked to bring garden tools if they are available. Purpose of the event is to prepare the field for little league play.

What's cooking? at YWCA

THE YWCA of Greater Pomona Valley announces the 4th session in a series of food experiences, Meal Planning and Gourmet Foods. This session will meet Thursday evening, Apr. 22, from 7:30-9 p.m., at the Trinity United Methodist Church, 676 N. Gibbs, Pomona.

Mrs. Judy Ishikawa and Mrs. Grace Mizoguchi, originally from Hawaii, will be teaching the cooking of Japanese foods, featuring Teriyaki on skewers, tempura and others.

Please register for each session since food sampling will be an important part of each session. For reservations or additional information, call the YWCA office at 593-4200 or Mrs. Patrick Sampson, 593-3883.

No flying asked over pageant

All pilots are requested to avoid flying over, or in the vicinity of, the Ramona Bowl in the Hemet, California area during the annual Ramona Pageant. Dates for the Pageant this year are April 24-25, and May 1-2.

"We encourage and recommend that pilots avoid flying over the area to keep from interfering with the enjoyment of thousands of persons who attend the pageant," said Arvin O. Basnight, Director of the FAA's Western Region, who made the appeal.

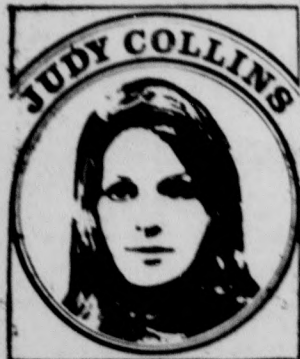

The Ramona Pageant, Basnight pointed out, is a non-profit community enterprise which portrays the colorful history of the Hemet-San Jacinto area. Pilots are urged to avoid the area from the hours of 2:30 p.m. to 5:30 p.m. on the days of performance.

"The aviation community has cooperated in this effort in the past, and continued cooperation will assure maximum enjoyment and success of the pageant this year," Basnight said.

Navy Wave program

If you are a female between 18 and 26 years of age, have a high school education and would like to travel you may be eligible for the NAVY WAVE program. A woman accepted for the Waves has the opportunity to learn a trade and be of service to her Country at the same time.

Designated as Yeomanettes in World War I, more than 11,000 women served in the Navy, most of them as stenographers. World War II saw 100,000 women again entering the Navy, this time under the name WAVES (Women Accepted for Volunteer Emergency Service), and serving in more than 20 occupational fields from Journalists to Electronic Technicians. For further information concerning the WAVE Program contact your Navy Recruiter at 10665 South Mills St., Montclair or call 621-4213.

Consumer meeting

Consumer action meetings will be held the second and fourth Tuesdays of every month by the Consumers Association of Pomona Valley. It has been announced by Walter G. Soden, Association chairman.

Individuals with consumer problems and who want action, advice, or just consolation are invited to attend the meetings at 8 p.m., at 1460 Mural Drive, Claremont. For more information, call 621-1433.

Chino Ranch ride plans

The Chino Ranch Ride held annually for 35 years will wind its way into Soquel Canyon Sunday April 25. Forming at Yorba Avenue and Birdfarm Road near Los Serranos Country Club, the ride will start at 9 A.M. and extend through the Chino Hills to a natural arena where a barbecue and a program of riding events will be held.

Many prizes will be awarded for those participating in the riding events, and the grand prize to be given away to the lucky ticket holder, will be a western saddle.

The trail into Soquel Canyon, legendary hide out of early California bandits, Joaquin Murietta and Three Finger Jack will provide an enjoyable outing for riders of all ages.

The Chino Ranch Ride has become increasingly popular throughout the years, which started as a small community event sponsored by the Chamber of Commerce in 1937. This year the ride is being directed by long time Chino resident Ed Pine, who is President of the Chino Ranch Ride Association, a non-profit organization.

Car deaths rated high

Approximately 40 per cent of all accidental deaths in Los Angeles County during 1970 were caused by motor vehicles, according to figures released by the L.A. County Health Department's Division of Records and Statistics. County Health Officer Dr. Gerald A. Heidebreder reported.

He said these statistics also show that the West Valley had the greatest number of deaths as a result of autos with the smallest number recorded in the Southeast Health District, a portion of the South-Central Los Angeles area.

Births for the last two years have shown a slight increase, reversing a 5-year trend from 1963-68 when births were decreasing. There were 132,000 births in the county, adding up to a rate of 19.0 per one thousand population.

Deaths at the same time totaled 62,000 last year, about the same as 1969.

Ralph Nader CC speaker

Consumer crusader Ralph Nader will speak at The Claremont Colleges April 25.

He will discuss "The Educated Person as Responsible Citizen" at 4 p.m. in Bridges Auditorium, 4th Street and College Way. The lecture is free and open to the public.

Since his graduation from Harvard Law School in 1958 Nader has been researching policies that affect the rights of the consumer. His investigations have led to a crack-down on the automobile industry, censuring of corporations that pollute rivers and lakes, and an awakened public interest in the practices of credit bureaus.

Nader is best known for his report on the auto industry, "Unsafe At Any Speed," in which he enumerated the hazards of being an American car owner.

What began as a one-man operation has mushroomed into four organizations concerned with consumer protection.

"We're trying to re-deploy lawyers into public interest work as a prerequisite to social change," Nader says.

The Center for Study of Responsive Law was established in 1968 as a nonprofit, tax-exempt research group. Its main concern is institutions that "wield power affecting the everyday lives of many people," explains Harrison Wellford, a member of the organization. The center is also home for "Nader's Raiders," 200 students doing research for consumer protection.

Nader's action arm is the Public Interest Research Group, staffed by 13 lawyers. The attorneys view their work as a force against lobbyist pressure. The group has a wide range of activities, including investigation of tax assessments, air pollution by large industries, and the small local taxes that corporations pay.

"The raw materials for citizen action are there. All it takes is a catalyst," Nader says.

Another Nader operation is the Center for Auto Safety. It was established in June, 1970, to monitor the National Highway Safety Bureau. Its main concern has been pressuring American car companies to recall defective models.

Nader is also adviser to the Project on Corporate Responsibility, which is trying to gain shareholders more influence in corporate policy.

"Today's executive," Nader says, "is too remote, too insulated from public urgencies."

He would like more information available to shareholders about corporate policy and products. He believes that citizens living near company plants should have some say in the business decisions that affect them.

Now Nader is challenging the practices of credit bureaus. In an article written for the Saturday Review, Nader charges that credit bureaus snoop irresponsibly into the private lives of millions of Americans.

Nader's lecture is sponsored by the S & H Foundation (supported by Sperry and Hutchinson Company) and The Claremont Colleges.

Women awarded pins

Named "Volunteer of the Year" given for the first time by the Casa Colina Hospital, was Mrs. Kenneth Perry of Upland. Her award was for "total involvement in the volunteer program."

Winner of 2,000 hours of service pin was Mrs. John Horgan, Upland, and 100 hours of service pins were awarded to Mrs. Elsie Denton, Montclair; Mrs. Stanley Etzen, Diamond Bar; Mrs. Lewis Rich, Alta Loma; and Miss Ruth Thorpe, La Verne.

NOTICE: Many listings in the
"male" or "female" col-
umns are not intended to ex-
clude or discharge applica-
tion from persons of the other
sex. Such listings are for
the convenience of readers
because some occupations are
considered more attractive to
persons of one sex than the
other. Discrimination in em-
ployment because of sex is
prohibited by 1964 Federal
Civil Rights Act with certain
exceptions (and by the law
of California.) Employment
agencies and employers
covered by the Act must in-
dicate in their advertisement
whether or not the listed po-
